Dear Friends and Members,

All who worship with us are invited to participate in a "Circle of Hearing" on January 10, 2010 from 2 to 4 pm. The Reverend Dr. Rand Peabody will facilitate this special discussion about our congregation's expectations of the Pastoral Search Committee and for the settled pastor we seek. For the past year, our congregation has been discerning our vision and the committee has been gathering information for our church profile. However, now that we have begun reviewing profiles of potential candidates, questions have arisen within the committee as to the will and desires of the congregation. As the Pastoral Search Committee is a conduit for you, our constituents, we need to hear from you. Please mark your calendar and plan to join the conversation!

*Sincerely,
Your Pastoral Search Committee*
